

235 Conquest

The 235 Conquest® comes in a compact package, yet it features a breathtakingly expansive cockpit that's perfect for fish fighting or entertaining. The ingeniously roomy design extends to a convenient bow walkaround, which flanks a comfortable cuddy cabin. A deep-V Accutrack™ hull makes the trip smooth and comfortable, even if the water kicks up a bit. And 122 gallons of fuel will get you there, let you troll all day and bring you back safe and secure. The 235 Conquest is a fish hunter with all the comforts of home. The cuddy has a screened cabin hatch and portholes, plush upholstery, lighting, a lockable door and portable head with deck pump-out. Naturally, it comes rigged and ready to fish. There are rod holders in the transom and gunnels, rod racks under the gunnels and in the cabin, a livewell, two fishboxes with drains, optional upholstered bolsters and more. Available with a single Mercury® Marine engine, the 235 combines big boat capabilities in a manageable size.
