

255 Conquest

The 255 Conquest® is ready to take to the water when you are. You'll enjoy a smooth, dry ride while lounging in its roomy cockpit. A recessed walkaround affords you more secure-feeling bow access for sunbathing or fishing. It's loaded with storage, plus conveniences like a cockpit shower. Step through the lockable cabin door and you'll find more overnight comforts than you'd expect on a boat of this size, including opening screened portholes, a wet bar sink with faucet, a portable head with deck pump-out, and a dinette with table that converts to a double berth. And its 150-gallon fuel capacity lets you cover a lot of territory, or you can choose to drop anchor and stay for the night. The choice is yours with the versatile, trailerable 255 Conquest.
