

# 305 Conquest

Boston Whaler's largest cabin boat boasts an impressive 58 square feet of cockpit space – perfect for fish fighting or entertaining or both. The 305 Conquest's hull design combines quick planing capabilities with a smooth, dry ride. Its helm deck area is elevated for superior visibility fore and aft, with a portside settee for lounging while leisurely watching the lines. The fully adjustable helm seat features a flip-up seat cushion that converts it to a bolster seat for operation while standing. The recessed bow walkaround provides more secure-feeling access to the anchor locker and bow area. The cabin interior is warm and inviting, thanks to rich accoutrements including cherry cabinetry, granite-colored countertops and decorator vinyls and accents. You don't have to sacrifice comfort for fishability. Get a 305 Conquest® and have it all.
