

180 Dauntless®

The stylish, all-new 180 Dauntless builds on the Dauntless family tradition of outstanding versatility for a wide variety of boating activities – serious fishing, all kinds of watersports or a day of comfortable cruising. It's loaded with convenient standard fishing features, such as eight rod holders and plenty of casting space for multiple anglers, including a full-width aft casting deck that converts to a bench seat. Optional equipment like the livewell in the front console, reversible pilot seat with livewell and the fishing package with a trolling motor panel make the 180 Dauntless an exceptionally well-appointed fishing vessel. For watersports, the standard 135 L4 Verado™ along with the optional ski pylon, can pull a skier with ease, and the standard swim platform with telescoping ladder allows easy re-entry into the boat. A day of cruising is comfortable and fun, with seating for eight people, while everyone kicks back to enjoy the Clarion® radio, a CD or music from your MP3 player. The optional sun top helps keep passengers cool and dry while enjoying a day outdoors. And, typical of Whaler®, there's plenty of storage for everyone's gear.

SPECIFICATIONS

- LOA: 18' 1" (5.51 m)
- Beam: 8' 1" (2.46 m)
- Draft (boat only): 12" (.30 m)
