

## 200 Dauntless

The all-new 200 Dauntless® packs a whole lot of boating excitement into its tough, unsinkable hull. This boat was designed to provide every necessity for a full day of fishing, watersports and cruising. Thanks to the muscle of the standard Mercury® 150 XL OptiMax® engine and a huge 75-gallon fuel tank, you'll cover a lot of territory fast. And you'll have a smooth trip with the responsive handling of hydraulic steering and the sure-footed Accutrack™ hull. If fishing's at the top of your list, you'll appreciate tons of standard features just for you, plus a long list of options. The big cockpit lets you work a fish easily from the bow all the way back to the transom, where the stern seat folds down to become a full-width casting platform. You've got a standard insulated livewell forward of the console, rod racks and holders are strategically placed, and there's ample storage throughout. When it's time to plunge into the water, the integral swim platform with telescoping ladder gets skiers, swimmers and snorkelers in and out of the boat with ease. And when the day's done, simple clean-up doesn't take time away from all the fun.

## SPECIFICATIONS

- LOA: 20' 6" (6.24 m)
- Beam: 8' 5" (2.57 m)
- Draft (boat only): 12" (.30 m)
- Weight (dry, no engine): 2400 lbs (1088 kg)
- Maximum Weight: 2500 lbs (1133 kg)
- Swamped Capacity: 3400 lbs (1542 kg)
- Persons Capacity: 8
- Maximum HP: 175 hp (130 kw)
- Minimum HP: 150 hp (111 kw)
- Maximum Engine Weight: 530 lbs (240 kg)
- Transom Height: 25" (.63 m)
- Fuel Capacity: 75 gal 283 L
- Bridge Clearance: 6' 1" (1.85 m)  
with T-top: 7' 7" (2.31 m)
