

110 Tender

A shallow-water runabout. A hard-working utility boat. A backwater fishing boat. It's a yacht tender that matches the quality of your showpiece. Or an unsinkable rowboat. In both the Tender and Sport models, the 110 offers 50% more usable space than a comparably-sized inflatable for hauling people, supplies and gear. It's a much better choice than inflatables, since it's not subject to their deterioration and it won't deflate. And its 5' 6" beam provides excellent stability for a boat this size.

Both models come with the superior finish and low maintenance you expect from Whaler®. Standard features include a bow storage locker, running lights, yacht-quality hardware, plus a transferable, ten-year limited hull warranty, and unsinkable Unibond™ construction.

The 110 Tender model is available with a tiller-steered Mercury® outboard or unpowered with oar locks. Its light weight and shallow draft allow you to explore remote locations. And it's perfect for boating where horsepower or age restrictions apply.

SPECIFICATIONS

- LOA: 11' 4" (3.45 m)
- Beam: 5' 6" (1.67 m)
- Draft (boat only): 7" (.17 m)
- Weight (dry, no engine): 424 lbs (192 kg)
- Maximum Weight: 845 lbs (383 kg)
- Swamped Capacity: 1200 lbs (544 kg)
- Persons Capacity: 4
- Maximum HP: 15 hp (11 kw)
- Minimum HP: 5 hp (3.7 kw)
- Maximum Engine Weight: 135 lbs (61 kg)
- Transom Height: 20" (.50 m)
- Fuel Capacity: 3.3 gal (12 L)
- Bridge Clearance with Engine: 2' 7" (.78 m)
without Engine: 1' 10" (.55 m)
with Sun Top: 5' 7" (1.70 m)
