

# 170 Montauk

The Montauk® has been a worldwide favorite for decades, thanks to its center console design, superior lateral stability, its extra-dry ride and quick planing with minimal horsepower. Today's 170 Montauk carries on the tradition and raises the bar. Enjoy a soft ride and smooth performance, provided by its modified V-hull entry. With a wide 6' 10" beam, there's ample room inside for people and gear, while you still get quick planing, great performance and a shallow, 9-inch draft. The center console puts everything at your fingertips, and there's a spacious storage / anchor locker in the bow. Rediscover a Whaler® legend in the 170 Montauk.

## SPECIFICATIONS

- LOA: 17' (5.18 m)
- Beam: 6' 10" (2.08 m)
- Draft (boat only): 9" (.22 m)
