

370 OUTRAGE®

The new 370 Outrage is the largest Boston Whaler® ever, combining the finest in fishing and comfort features in a spacious layout. Beginning in the aft cockpit, this boat provides ample room for fighting fish or entertaining guests. The standard leaning post is well equipped for all of your boating activities with a large livewell, tackle storage, refrigerator/freezer, freshwater sink and grill. An optional Summer Kitchen leaning post provides even more entertaining options by replacing the livewell with an additional refrigerator and electric stove top. The ergonomically correct center helm layout provides easy access to controls and includes a fold down helm standing platform and electrically adjustable captain's seat for maximum comfort and control. In the bow, the comfortable console forward lounge lifts to reveal lockable storage for rods, dive gear and carry on items. Finally, the well appointed console cabin features a true 2 person berth/ette and other amenities that make it unique in its class. All of these innovative features are delivered with Whaler's legendary unsinkable Unibond® construction.
