

150 SUPER SPORT

The big brother to the 130 Super Sport, the new 150 also comes with amazing standard features, yacht-quality touches, stylish lines and legendary unsinkability to begin with. Now it's your turn. Pick a color for your hull graphics and then start turning your boat into everything you want it to be. Choose the seats you want – even different types – and change them out for different occasions. There are lots of carry-on accessories that tuck away neatly to keep the deck clear. And a lot more that you can add on any time. Transform this boat just the way you want – and transform your weekends in the bargain.
